

FOR IMMEDIATE RELEASE

Diodes Incorporated to Present at The 17th Annual Bear Stearns Technology Conference

Westlake Village, California – June 6, 2006 – Diodes Incorporated (Nasdaq: DIOD), a leading manufacturer and supplier of high quality discrete and analog semiconductors, today announced that its Chief Financial Officer, Carl Wertz, is scheduled to speak at the Bear Stearns Technology Conference in New York City on Tuesday, June 13th at 11:30am Eastern Time.

The presentation will be available to all interested parties at the Investors section on Diodes' web site: www.diodes.com. For those unable to participate during the live broadcast, a replay will be available shortly after the presentation on the Diodes' website for 30 days.

Over 160 leading public companies will be presenting to over 1,500 institutional investors at the Bear Stearns Technology Conference, scheduled for June 12th – 13th, at the Grand Hyatt Hotel at Grand Central Station, New York City. Analysts and portfolio managers who wish to attend the presentation should contact Meghan Walsh at mewalsh@bear.com to request additional information.

About Diodes Incorporated

Diodes Incorporated (Nasdaq: DIOD) is a leading manufacturer and supplier of high-quality discrete and analog semiconductor products, primarily to the communications, computing, industrial, consumer electronics and automotive markets. The Company's corporate sales, marketing, engineering and logistics headquarters is located in Southern California, with two manufacturing facilities in Shanghai, China, a wafer fabrication plant in Kansas City, Missouri, engineering, sales, warehouse and logistics offices in Taipei, Taiwan and Hong Kong, and sales and support offices throughout the world. Diodes, Inc. recently acquired Anachip Corporation, a fabless analog IC company in Hsinchu Science Park, Taiwan.

Diodes, Inc.'s product focus is on subminiature surface-mount discrete devices, analog power management ICs and Hall-effect sensors all of which are widely used in end-user equipment such as TV/Satellite set top boxes, portable DVD players, datacom devices, ADSL modems, power supplies, medical devices, wireless notebooks, flat panel displays, digital cameras, mobile handsets, DC to DC conversion, Wireless 802.11 LAN access points, brushless DC motor fans, and automotive applications. For further information, including SEC filings, visit the Company's website at <http://www.diodes.com>.

Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995: Any statements set forth above that are not historical facts are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements, which may include, but are not limited to, such factors as fluctuations in product demand, the introduction of new products, the Company's ability to maintain customer and vendor relationships, technological advancements, impact of competitive products and pricing, growth in targeted markets,

risks of foreign operations, and other information detailed from time to time in the Company's filings with the United States Securities and Exchange Commission.
