

**FOR IMMEDIATE RELEASE**

## **Diodes Incorporated Announces Conference Call To Discuss Second Quarter FY 2004 Results**

**Westlake Village, California – July 19, 2004** – Diodes Incorporated (Nasdaq: DIOD), a leading manufacturer and supplier of high quality discrete semiconductors, will host a conference call at 8 a.m. PDT (11 a.m. EDT) on Wednesday, July 28, 2004 to discuss second quarter 2004 results.

Joining C.H. Chen, President and CEO of Diodes Incorporated, will be Carl Wertz, Chief Financial Officer and Mark King, Vice President of Sales and Marketing. The Company plans to distribute its earnings announcement that same day at 6 a.m. PDT (9 a.m. EDT).

This conference call will be broadcast live over the Internet and can be accessed by all interested parties at the Investors section of Diodes' website at [www.diodes.com](http://www.diodes.com). To listen to the live call, please go to the Web site at least fifteen minutes prior to the start of the call to register, download, and install any necessary audio software. For those unable to participate during the live broadcast, a replay will be available shortly after the call on the Diodes site for 90 days.

### **About Diodes Incorporated**

Diodes Incorporated (Nasdaq: DIOD) is a leading manufacturer and supplier of high-quality discrete semiconductor products, primarily to the communications, computing, industrial, consumer electronics and automotive markets. The Company operates three Far East subsidiaries, Diodes-China (QS-9000 and ISO-14001 certified) in Shanghai, Diodes-Taiwan (ISO-9000 certified) in Taipei, and Diodes-Hong Kong. Diodes-China's manufacturing focus is on subminiature surface-mount devices destined for wireless devices, notebook, flat panel display, digital camera, mobile handset, set-top box, DC to DC conversion, and automotive applications, among others. Diodes-Taiwan is our Asia-Pacific sales, logistics and distribution center. Diodes-Hong Kong covers sales, warehouse and logistics functions. The Company's 5" wafer foundry, Diodes-FabTech (QS-9000 certified), specializes in Schottky products and is located just outside Kansas City, Missouri. The Company's ISO-9001:2000 corporate sales, marketing, engineering and logistics headquarters is located in Southern California.
