

Diodes Incorporated to Announce Second Quarter 2008 Financial Results

Dallas, Texas – July 15, 2008 --- Diodes Incorporated (Nasdaq: DIOD), a leading global manufacturer and supplier of high-quality application specific standard products within the broad discrete and analog semiconductor markets, will host a conference call on Thursday, August 7, 2008 at 10:00 a.m. Central Time (11:00 a.m. Eastern Time) to discuss its second quarter 2008 financial results.

Joining Dr. Keh-Shew Lu, President and Chief Executive Officer of Diodes Incorporated, will be Carl Wertz, Chief Financial Officer, Mark King, Senior Vice President of Sales and Marketing, and Rick White, Senior Vice President of Finance. The Company intends to distribute its financial results announcement that same day at 9 a.m. Central Time (10 a.m. Eastern Time).

Analysts and investors are invited to dial into the Thursday, August 7, 2008 conference call using the following numbers:

Date: **Thursday, August 7, 2008**
Time: **10:00 a.m. Central Time (11:00 a.m. Eastern Time)**
Conference Call Number: **1-888-713-4214**
International Callers: **1-617-213-4866**
Pass Code: **24472970**

A telephone replay of the conference call will be available approximately two hours after the conference call and will be available until August 11, 2008 at midnight Pacific Time. The replay dial-in number is 1-888-286-8010 with a pass code of 18588755. International callers should dial 1-617-801-6888 and enter the same pass code at the prompt.

Additionally, this conference call will be broadcast live over the Internet and can be accessed by all interested parties on the Investor Relations section of Diodes' website at <http://www.diodes.com>, then click on the Conference Call link at least fifteen minutes prior to the start of the call to register, download, and install any necessary audio software. For those unable to participate during the live broadcast of the conference call, a replay will be available shortly thereafter on Diodes' website for approximately 60 days.

About Diodes Incorporated

Diodes Incorporated (Nasdaq: DIOD), an S&P SmallCap 600 and Russell 3000 Index company, is a leading global manufacturer and supplier of high-quality application specific standard products within the broad discrete and analog semiconductor markets, serving the consumer electronics, computing, communications, industrial and automotive markets. Diodes' products include diodes, rectifiers, transistors, MOSFETs, protection devices, functional specific arrays, amplifiers and comparators, Hall-effect sensors and temperature sensors, power management devices including LED drivers, DC-DC switching, regulators, linear voltage regulators and voltage reference along with special function devices including USB power switch, load switch, voltage supervisor and motor controllers. The Company has its corporate offices in Dallas, Texas, with a sales, marketing, engineering and logistics office in Southern California; design centers in Dallas, San Jose, Taipei, England and Germany; wafer fabrication facilities in Kansas City, Missouri and Manchester, England; two manufacturing facilities in Shanghai, China, one in Neuhaus, Germany and a joint venture facility in Chengdu, China; engineering, sales, warehouse and logistics offices in Taipei, Hong Kong and Manchester, England, and sales and support offices throughout the world.
