PCN #: 2276 REV 2

PCN Title: Qualification of a Different Wafer Fab for Select Parts Due to the Closure of Global Foundry Fab 6

Dear Customer:

This is an announcement of change(s) to products that are currently being offered by Diodes Incorporated.

We request that you acknowledge receipt of this notification within 30 days of the date of this PCN. If you require samples for evaluation purposes, please make a request within 30 days as well. Otherwise, samples may not be built prior to this change. Please refer to the implementation date of this change as it is stated in the attached PCN form. Please contact your local Diodes sales representative to acknowledge receipt of this PCN and for any sample requests.

The changes announced in this PCN will not be implemented earlier than 90 days from the notification date stated in the attached PCN form.

Previously agreed upon customer specific change process requirements or device specific requirements will be addressed separately.

For questions or clarification regarding this PCN, please contact your local Diodes sales representative.

Sincerely,

Diodes Incorporated PCN Team

**TITLE**

Qualification of a Different Wafer Fab for Select Parts Due to the Closure of Global Foundry Fab 6

**DESCRIPTION OF CHANGE**

This PCN is being issued to notify customers that Global Foundry Fab 6 is closing their line. In order to ensure continuity of supply, Diodes has qualified Shanghai Fab1 of Semiconductor Manufacturing International Corporation (SMIC) for select parts.

Full electrical characterization and high reliability testing has been completed on representative part numbers to ensure there is no change to device functionality or electrical specifications in the datasheet. See attached qualification report.

**IMPACT**

There will be no change to the Form, Fit, or Function of products affected.

The die source can be derived from the date code. The devices that use the die from SMIC show a suffix “I” vs. the die from Global Foundry using suffix of “C”, see below.

Example:

Date code of Old die = 1320JC, where C is the fab code for Global Foundry

Date code of New die = 1415JI, where I is the fab code for SMIC

**PRODUCTS AFFECTED**

See Table 1: Affected Parts List
