DATE: 28 June, 2018

PCN #: 2358

PCN Title: Qualification of Alternate Wafer Source (SFAB2) for Select Analog Products

Dear Customer:

This is an announcement of change(s) to products that are currently being offered by Diodes Incorporated.

We request that you acknowledge receipt of this notification within 30 days of the date of this PCN. If you require samples for evaluation purposes, please make a request immediately. Please refer to the implementation date of this change as it is stated in the attached PCN form. Please contact your local Diodes sales representative to acknowledge receipt of this PCN and for any sample requests.

The changes announced in this PCN will not be implemented earlier than 90 days from the notification date stated in the attached PCN form.

Previously agreed upon customer specific change process requirements or device specific requirements will be addressed separately.

For questions or clarification regarding this PCN, please contact your local Diodes sales representative.

Sincerely,

Diodes Incorporated PCN Team

**TITLE**

Qualification of Alternate Wafer Source (SFAB2) for Select Analog Products

**DESCRIPTION OF CHANGE**

This PCN is being issued to notify customers that in order to assure continuity of supply, Diodes Incorporated has qualified Diodes internal BCD (Shanghai) Micro-Electronics Limited (SFAB2) in China as an alternate wafer source for select Analog products. At this time we will also align the top marking to the Diodes format. Please see a side by side comparison below.

Full electrical characterization and high reliability testing has been completed on representative part numbers to ensure there is no change to device functionality or electrical specifications in the datasheet. See attached qualification/reliability report (embedded in this file).

There will be no change to the Form, Fit, or Function of products affected.

**IMPACT**

Continuity of Supply. No change in datasheet parameters or product performance

**PRODUCTS AFFECTED**

AP3041MTR-G1, HL3051MTR-G1
